

## 2019 Yearbook Information for Parents of Seniors

**The yearbook staff is already working to prepare the 2019 Derrick and we need a few things from you.**

**Purchase your yearbook EARLY.** You can either buy one in the business office or online at <http://ybstore.friesens.com/stores/771001>. The price is \$60 with an ASB card and \$65 without until 9/30; after that, prices will increase until they reach our cost of \$80. We want to make sure everyone has a book who wants one and that we do not order too many books, so ordering early helps with those decisions.

Because we charge less for our book than it costs, we sell ads to make up the difference. **Senior Congratulatory Ads** (aka Senior Tributes) are sold until 12/1. Prices for these ads are as follows: \$90 for ¼ page (small with 1-3 photos), \$150 for ½ page (medium with 3-7 photos), \$300 for a full-page ad (large with 3-11 photos), and \$500 for a two-page spread (x-large with 6-18 photos). Limits will be placed on the number of photos according to size purchased in order to make the ads attractive for your senior. All images for senior congratulatory ads need to be saved as 9x12" or 12x9" high-resolution .jpg images (300 dpi). We can help with choosing the best photos by scheduling a consultation (please email files and questions to: [yearbook@taftunion.org](mailto:yearbook@taftunion.org) and make sure to include the senior's name and "yearbook ad" in the subject box). We also have examples you can view upon request. The ad purchase form is available [at this link](#) and must be paid for in the business office. We must receive payment before the ad will be created.

**Senior portraits** are due by 10/1 and are to be submitted via the Google Form: <https://goo.gl/forms/c1MyytWmC9BJFOGl1>. The school contracts with Lifetouch and will take portraits of all seniors on 8/22. We would like all seniors to take this portrait as a placeholder for the yearbook and to ensure no student is missed. However, if you would like your own photography studio to photograph your senior, you need to schedule that appointment NOW so that you can get the picture to us on time. If we do not receive the photo by 10/1, we will use the one provided by Lifetouch. School dress code applies to all submitted photographs and hats are not allowed. Portraits need to be vertical, not horizontal, and cannot include pets, props, or other people. It must include ONLY the head and shoulders, not the entire body as this makes the senior's face extremely small when printed. The photo needs to be submitted digitally via the Google form link above and in .jpg format as an 8x10" high-resolution image (saved to 300 dpi). If you have trouble saving the image properly, please bring it on a flash drive to the yearbook help day (see future announcement).

**Baby pictures** are also due 10/1 and need to be submitted via the Google Form: <https://goo.gl/forms/6YQp9YdzSXTS6uBK2>.

We will have more information for you that will be shared as we start the school year.

If you have any questions, please email us at: [yearbook@taftunion.org](mailto:yearbook@taftunion.org). Thank you for your continued support of the high school and its yearbook. The yearbook staff will strive to make sure your child has a quality yearbook to cherish for years to come.
